## POSTPONEMENT OF 2020 470 WORLD CHAMPIONSHIP

12 Mar 2020

Due to the COVID-19 Pandemic and the latest situation developments, and following instructions of the Spanish and Balearic Government, as well as the recommendations from WS, the 470 Class, together with Club Nautic Arenal, are obliged to **postpone** the 470 Worlds which were scheduled to take place in el Arenal, from the 13th to the 21st of March.

We are really sorry for this, but it is a world health issue and we have to introduce the restrictions as requested by the Spanish Authorities. The 470 Class, together with the MNA and the Organizing Club, will investigate the possibility of holding the Worlds in the coming months, after the 15th of April, with more information to come as soon as possible. The World Championship is **NOT cancelled** at the moment.
